

Nafplion was Greece's first capital at the beginning of the 19th century. The old city has an amazing beauty that combines centuries of history: ancient, neoclassical and modern. Amalia Nauplia is located in the entrance of the city, close enough for you to walk around the picturesque alleys and far enough to enjoy the serenity and beauty of the area.

Amalia Nauplia is a neoclassical building with spacious surroundings and beautiful gardens. The luxuriously appointed rooms overlook Palamidi, the sea or the hotel's beautiful gardens. Its large swimming pool is just one of this hotel's highlights where you can relax and enjoy cocktails or light snacks, while the Lobby Bar with its cozy seating areas and piano music will relax your senses. The Atrium is ideal for your late afternoon drinks and in the restaurant you can enjoy tastes from the Mediterranean cuisine.
