When visiting Kalambaka the place you should see at least once in your life are the rocks of Meteora. In pure translation Meteora means suspended. And that is the feeling you get when you reach the monasteries that are at the top of these enormous, almost out of this world rocks.

At Amalia Kalambaka you will get in touch with your inner self. Minutes away from the town this traditional property offers extensive gardens, a large swimming pool and stunning views of the Meteora rocks. The moment you enter the spacious lobby, a warm feeling embraces you, with the wooden details, the cozy sofas, and the piano bar next to the fireplace. You will enjoy the comfortable rooms, the walks around the ample gardens and you will be cocooned in this atmosphere of serenity.
